

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

It is not hard to see why cotton producers need an organization such as the Rolling Plains Cotton Growers. After attending this organization's board meeting Thursday night in Stamford it becomes that just being an efficient farmer is not enough these days.

The farmer must have some kind of organization to explain all of the rules and regulations of the different programs as well as to have somebody to protect his interests in the halls of Congress and in the Agriculture Department.

The recent fight over the skip-row ruling, which is not over yet, is a good example for the need for the Rolling Plains Cotton Growers.

The biggest need of cotton today is promotion and research. This is of course the reason for the recently approved Dollar a Bale program. Cotton is being whipped in the market place by man-made fibers that cost up to four times as much as cotton. Mostly because the synthetics are produced by some of the largest Corporations in the world who know how to market their products and for too long now the cotton farmer has been sitting back and saying I've grown it, now you come and get it if you want it.

Among other goals by the RPCG is to step up its campaign to promote the use of more cotton in the Rolling Plains area that was started last year.

Not being a cotton producer ourselves we are the first to admit that we are in no position to judge the various farm organizations that are trying to represent the farmer. But we do know from our own business that it is necessary to belong to some organization if you are to keep up with what is happening in your own business. And from an outsider's point of view we would think that it would be important that a cotton producer belong to an organization of fellow producers as well as possibly some other general farm organization.

Looking over a breakdown of producer memberships in the RPCG shows that Jones and Haskell farmers are backing the organization strongly with Jones County having 575 producers out of 922 in the group and Haskell having 735 out of 1008. But in Stonewall County there are only four out of 268 and in Fisher County only 88 out of 685.

Again, as a non-producer we admit that we are not in a position to judge the benefits of an organization to cotton farmers but from the standpoint of a newspaper trying to keep up with what is going on in the cotton industry we are impressed with the efforts of the RPCG and wish it every success.

Frank Calhoun, our representative in the Texas House, in his report to the people of this district discusses the new problems caused by the rejection of the House reapportionment plan by the Supreme Court.

According to his report, the effect of the high Court's ruling is that the complete job of redistricting the House of Representatives must be done and not just a correction of the eleven flatorial districts.

"Rural areas of West Texas can only lose more of their voices in the House when the final plan is drawn. The hard facts of life are that the people are moving to the metropolitan areas and under the 'one-man, one vote' principle, the balance of power will continue to shift from rural to urban centers. It is estimated that the big cities will gain approximately four more representatives under any reapportionment plan acceptable to the Federal Court — all at the expense of West Texas. This makes it even more imperative that the West Texas delegation continue to work together as it has in the past," according to Calhoun.

"Hearings on reapportionment bills will begin in the House on March 16. An ideal representative district would contain a population of 63,864 and those counties both above and below this figure will have to join other counties to create proportioned districts," his report added.

The sad thing about all of this is that it has taken seven years to make this little progress on reapportionment and the whole job will have to be done over again after the 1970 census.

FIRSTS GO TO HIGH SCHOOLERS— High School students who received First Division ratings last Saturday at the Region VI U.I.L. solo and ensemble competition held at ACC were, left to right, Dennis Weaver, Joey Duncan, Mike Young, C. A. Jenkins, Randy Smith; back row, Sharon Townley, Pat Perrin, Patty Cowan, Cindy Bryant,

Rhea Vaughan, Janet Carson, Terese Perrin, Jan Young, Vicki Newland, Rhea Jackson. Jan Young made a first division on a Class II solo. All other students, by making a first division on Class I, are eligible to go to Austin June 5-6 to compete at the State Solo and Ensemble Contest.

RECEIVE FIRST DIVISION RATINGS — Junior high band students who made first division ratings on solos or ensembles at Saturday's contest on the ACC campus in Abilene were, left to right, front, Helen Howard, June Roddy, Mary Dell Jenkins, Jeanie Ferguson, Keven

Mohafley, Terri Casey; back, Jackie McCormack, Rosendo Morales, Karen Jackson, Debbie Hardaway, Fodie Sonnenburg, and Charlotte Pritchard. Mary Dell is eligible to go to Austin June 5-6 to compete at the State Solo and Ensemble Contest.

Piper Concert Band, Stage Band To Play In Lamesa Festival Fri., Sat.

The Piper 90-piece concert band will leave at 2 p.m. Friday for a trip to Lamesa to compete for Festival honors with Alpine, Marfa and McCombs in Class AA.

Sixteen bands in classes C through 4A will be judged in concert by James Mathews of the University of Houston and Ben Gollehon of Hereford. Sight reading judge for the event will be Lloyd Cook of Sul Ross College.

The Piper Stage Band will perform Friday night at 7:30 along with the Lamesa Stage Band and the stage band from Texas Tech.

Students will stay in homes in Lamesa Friday night and return to Hamlin Saturday afternoon. The band will play

at 11:30 a.m. Saturday. Trophies will be presented after a 5 p.m. concert by the Texas Tech Stage Band.

One of the concert numbers to be played Saturday will be rehearsed by Warren Thaxton during a clinic here Thursday night. Thaxton, director of Cooper High School Band of Abilene, is a brother-in-law to the composer of the concert number, "Chant and Jubilo."

FORMER RESIDENT, MRS. GEORGE PEEL, DIES

Mrs. George (Ella Beard) Peel of Rockford, Ill., died there Feb. 26. She was a former resident of Hamlin and was graduated from Hamlin High School in 1920. Her husband died in 1964. Survivors are two daughters and six grandchildren.

Rolling Plains Cotton Growers Meeting Date Set

The annual meeting of the Rolling Plains Cotton Growers will be held in Stamford at the High School Auditorium on Thursday, March 23, beginning at 2 p.m. All area farmers are urged to make plans and attend since a program has been designed to assist Rolling Plains farmers in quality improvement, according to Charles Stenholm, executive vice president.

Gaylon Moore Completes Marine Recruit Training

Marine Private Gaylon Moore, nephew of Mr. and Mrs. Noble Greer of Hamlin was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot in San Diego, Calif.

He will now undergo about three weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment.

High School Building Plans to Be Ready Apr. 1

The architects plans for the new high school are progressing on schedule according to Supt. C. F. Cook. The architects made a complete study of materials and their availability in order to get the best building for the money being spent.

The proposed plan will be available April 1. The plans will then be submitted to contractors for bids. This will

take about 30 days. Cook said, "It looks like the bids will be made about May 1."

Cook added, "We feel it will take about one year to complete the building."

The Board of Education sold the \$750,000.00 for 4.7%

Bank Not On Three Day Week In Spite of Sign

Would you believe three days a week? — No, then how about five. Or put another way, Mon. Thru Fri. really means Monday through Friday.

When the FAM Bank announced that they would start closing on Saturdays they put a sign on the door that seems to have caused some confusion. The sign reads, "Closed on Saturdays, Open Mon. Thru Fri."

It seems that some people have misread the sign and are under the impression the bank will only be open three days a week — Monday, Thursday and Friday.

Bank officials are assuring everyone that the bank will continue to be open its regular hours five days a week and that the only change will be that they will close on Saturday.

Dec. 1, 1966. As soon as the bond money was deposited in the Farmers and Merchants National Bank here, the board requested the bank to invest this money in Government bonds. Floyd Clifton, president, invested \$627,654.00 in Government bonds at 5% plus which will earn \$25,728.00 in interest by the time the board will need this money to pay for the building.

Jaycees Plan Volleyball Tourney Here

The Hamlin Jaycees are sponsoring a Volleyball Tournament April 3 and 4. The tournament will continue on Apr. 6 if necessary to complete the brackets.

Male and female teams will be participating and there is no age limit. Entry fee is \$10 per team. Anyone who would like to enter a team or sponsor a student team may contact Dan Truelove or Earnie Reusch.

The gym will be open tonight (Thursday) and each Tuesday night for practice.

LIGHT SNOW FALLS HERE MONDAY

Snow during the early morning hours Monday left only .02 inches of moisture. The snow melted rapidly as the sun came out.

Rolling Plains Cotton Growers Plan Aggressive Promotion Program

The regular quarterly meeting of the Board of Directors of the Rolling Plains Cotton Growers was held on Thursday night in Stamford. News media from the Rolling Plains were special guests to this "Kick-off" meeting for a new and aggressive cotton promotion program in the area.

The theme of the meeting centered around the need for an organized effort for cotton in 1967 not only in the Rolling Plains but nationally. Earl Younts of the National Cotton Council explained the need for 25 million dollars to carry out an adequate nationwide research and promotion program and added

that chances are excellent that this goal will be reached. The passing of the recent dollar a bale program by producers has offered this bright possibility.

Bland Harrison, Fieldman for the ASCS, explained the new farmer certification program for certifying planted acreages. Under this new program farmers themselves measure and certify their planted areas — 25 percent of those certifying will be spot checked for accuracy. All counties in the Rolling Plains are not under certification this year but all will probably be next year. Producers are urged to check on conditions in their home counties.

The recent allocation of additional pounds of 18 counties was explained with the procedures used. Action is continuing in five counties with denied appeals being refilled. RPCG is continuing to work

BRIDGE WINNERS

Mrs. Gene Knabel and Dale Lain were first place winners at the Hamlin Duplicate Bridge Club meeting Tuesday evening at the Plains Oil Mill Guest House.

Mrs. Ray Sonnenburg and Mrs. Dale Lain were second and Mr. and Mrs. Henry Albritton were third.

School Adds Day To Easter Holiday

One extra day has been added to the Easter holiday schedule, according to Supt. C. F. Cook. There will be no school Mar. 24, 27 and 28. The extra day was gained because no school was missed because of bad weather. The Tuesday holiday will be taken provided that there is no bad weather before that time.

The school will not dismiss for the Friday, Mar. 10, meeting of the Oil Belt Teachers Association.

Track Team Takes Second In Winters Meet, to Graham Next

The Pied Piper Track Squad captured seven out of 15 first places in the sixth annual running of the Blizzard Relay Saturday at Winters but were out-pointed by Stamford for first place honors.

Stamford amassed a total of 153 points for the top spot, closely followed by Hamlin with 136 points.

The Pipers will compete in the Possum Kingdom Relays in Graham this Saturday. The relays will see teams from all four classifications entered with a division for each.

James Cork was the only

double winner in the Winters meet with a first in the high jump with a leap of 5 feet, six inches, and won the broad jump with a leap of 19 feet, nine inches.

The Pipers, who placed in all but three of the 15 events, took honors in the 440 yard relay with Louis Shelton, Clifford Titus, Sammy Ferguson and Philip Simpson running it in 45.0. Simpson ran the 100 yard dash in 10.3 for a first; Danny Contreras won the mile run with a time of 4:55; Jim Asher, a transfer student won the pole vault with a jump of 10 feet, 9 inches; and Milton Davis

threw the discus 132 feet, 7 inches for a first.

Winters and Stamford each captured three firsts and Ballinger won two.

HAMLIN SUMMARIES
440 Yd. Relay — 1. Hamlin, 880 Yd. Dash — 3. Howard Williams, 6. Ramon Morales, 120 Yd. High Hurdles — 6. Jim Bonds.

100 Yd. Dash — 1. Philip Simpson; 3. Louis Shelton.

220 Yd. Dash — 2. Shelton.

Mile Run — 1. Danny Contreras.

Mile Relay — 5. Clifford Titus, Sammy Ferguson, James Asher, and Elgin Baldwin.

High Jump — 1. James Cork; 4. Jim Bonds; 5. Milton Davis; 6. Ernest Ledbetter.

Broad Jump — 1. Cork; 4. Shelton.

Pole Vault — 1. Jim Asher; 3. Paul Long; 5. Alan Asher.

Shot Put — 4. Davis; 5. Jim Hastings.

Discus — 1. Davis; 4. Ledbetter.

Team Totals — Stamford, 153; Hamlin, 136; Winters, 108; Ballinger, 82; Coleman, 24; Anson, 23.

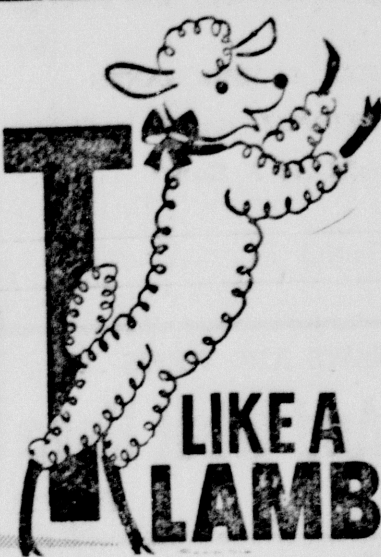

Freshman Division, Team Totals — Winters, 205; Hamlin, 95; Ballinger, 68; Coleman, 61; Stamford, 49.

Mrs. A. B. Carlton Directs Texas Day Literary Club Program

Mrs. Virgil Steele was hostess for the Friday afternoon meeting of the Woman's Literary Club.

Mrs. A. B. Carlton was director for the Texas Day program. Mrs. Charles Reed gave the "Legend of the Bluebonnets." Mrs. Ted Seay presented the "Saga of the Hanging Tree" by Sam and Earl Crawford. She displayed an etching of the tree and showed an arrangement of grapes which used a small limb from the hanging tree for the stem. The tree stood near Hawley and when the highway was built it was curved slightly to leave the tree with quite a history standing. In 1965, the tree, the one used to hang five men after taking a milk cow from a farmhouse, was uprooted by a car.

"The Old Mesquites Ain't Out" by Frank Grimes was quoted by Mrs. James Eddie Jay. The late Mr. Grimes was editor of the Abilene Reporter-News for many

years. His lines of verse show the accuracy with which the mesquite trees predict spring.

During the business meeting Mrs. Bob Craig, president, appointed Mrs. Jay, Mrs. Joe Ford and Mrs. Loyd Burkhardt to the yearbook committee. Mrs. Donald Young, second vice president, is chairman.

Twenty-one members, including two new members, Mrs. Robert Wilson and Mrs. Ford, were present.

The next meeting will be Mar. 17 in the home of Mrs. Arlie Cassle. The program on Interest in Art in Barbados will be presented by Mrs. C. Weldon Griggs. Mrs. Griggs spent six months in Barbados, BWI, last year.

SPRING PLEDGE

Connie Jo Duncan, a sophomore at Hardin-Simmons University, is one of 28 spring pledges of Phi Phi Phi social club. She is the daughter of Mr. and Mrs. Edgar Duncan.

LOCAL AUXILIARY RECEIVES AWARD — Mrs. Jack Robbins, left, president of the V. F. W. Auxiliary, Post No. 6014, received a national membership award from the president of District Eight, Mrs. Ethel Sowell of Snyder, at the meeting held at the V. F. W. building Tuesday evening. Mrs. Sowell was presented the award from the national president at the mid-winter round-up in Austin. Only four of the 11 auxiliaries in District Eight received the award.

Sixteen TOPS Club Members Lose 11 Pounds

The Determined Pipers TOPS Club reported a weight loss of 11 pounds during the last week by the sixteen members who weighed in.

Mrs. Roy Embrey is weight recorder.

Mrs. R. M. Sizemore, vice leader, presided. Mrs. Clarence Miller's resignation as treasurer was accepted and Mrs. Joe Dawkins was elected to fill the office.

Mrs. Charles Ferguson was program leader.

The next meeting will be tonight at the high school cafeteria. Weighing-in time from 7 to 7:30.

Use Our Handy Lay-away Plan

Labeled for PROTECTION

Some medicines may be taken internally; others are for external use only; therefore labels caution us as to their proper use. These precautions are for our own protection and good.

All things in life are not so clearly marked as to their proper use. The Bible is our source and guide, our label.

Thy word is a lamp unto my feet, and a light unto my path.

Psalm 119, 105

ATTEND CHURCH, STUDY GOD'S WORD

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN — Three pieces of major legislation passed by the House now have landed on the Senate's doorstep.

These include:
● Local option authority for financially distressed Texas cities to levy a one-per-cent sales tax. (Vote: 85-63.)
● A stiff code of ethics for legislators and other state officials and employees. (Vote 140-6)

● Repeal of "emergency purchase" provisions to put teeth in Sunday closing laws. (Vote: 132-14)

Before passing the city sales tax bill, sponsored by Rep. John Traeger of Seguin, the House spent nearly three hours of continuous debate and waded through more than 30 amendment attempts. Advocates predict a majority vote in the Senate, too. But no action is expected across the rotunda until after rules suspension eases with passage of the session's 60 day mark.

Code of ethics bill, by Rep. Jim Nugent of Kerrville, made its third trip through the House. Substantially the same bill has been approved by representatives in two prior sessions but died in the Senate. Same fate is anticipated this time for what advocates term "one of the strictest codes in the United States."

Measure would require lawmakers to disclose personal interest in legislation, force legislators and state officials and employees to reveal substantial interests in private business and require identification of relatives on the state payroll.

Surprisingly, the strengthened Sunday closing law, introduced by Rep. Willis J. Whitley of Houston, cleared the House in seven minutes. Only one comment was made. Smooth sailing also is anticipated in the Senate. (What this law will do to tourist spending has never been mentioned.)

Time Out—
First big break in one of the session's closest-fought contests—over whether Texas should go on Daylight Saving Time—came when the Senate state affairs committee approved the exemption bill.

Theatre owners, restaurant operators and farmers backed the bill, by Sen. Joe Christie of El Paso, to continue Texas on Central Standard Time. (After April 1 the new federal Uniform Time Act goes into effect everywhere except where state legislators vote otherwise. Only one state, South Dakota, so far has passed an exemption act.)

Panel was unimpressed with arguments of television broadcasters, railroad and airline spokesmen that the state must stay in time with the rest of the nation.

Same bill, heard in House

HOUSE FOR ALE: 3 Bedroom or 2 bedroom, paneled den. Living - dining room, kitchen, and tile bath with tub and shower. Plenty of closet space. 2 floor furnaces. Air conditioning in every room. Miscellaneous Q

Lost your Keys? We make Keys. New and Used bicycles. Bicycle parts and repair. We take trade ins. Hall's, 336 E. Lake Dr.

"matters falling within their jurisdiction."

Committee also approved a bill to raise fines and penalties (up to \$200 per head) for improperly transporting animals from fever sick quarantine areas.

Local Officials' Raise —

County auditors and precinct officials would make substantial monetary gains under a pair of bills being sponsored in the House by Reps. Vernon Beckham of Denison and Dick Cory of Victoria.

Beckham's bill would let county commissioners courts pay mileage reimbursement to county auditors for travel in their line of duty. House Committee on Counties referred that measure to a subcommittee for further consideration.

Cory's bill would allow commissioners courts to raise the salaries of justices of the peace and constables up to 20 per cent over what they now earn. Committee favorably reported this one back to the House floor where it now is awaiting action.

Livestock Markets —

Sen. Wayne Connally of Floresville and Rep. Charles Jungmichel of La Grange have introduced legislation to place greater emphasis on encouraging the construction, development and expansion

of services and facilities of livestock markets in Texas.

Connally's bill would establish a charter-fee system to govern livestock markets and to create a seven-member Public Livestock Board in the state government to grant charters and supervise the markets where livestock are auctioned.

"We have seen in the last 10 to 15 years a vast improvement in bank facilities and an expansion of their services," the Senator said. "The same results can be obtained by providing the proper basis for establishing and developing livestock markets."

Movie Regulation —

Every incorporated city and town in Texas would be required to set up a "Motion Picture Classification Board" to preview every movie to be shown in that city and classify it as "suitable" or "not suitable" for persons under age 18 by a bill introduced in the House by Rep. Cordell Hull of Fort Worth.

Hull said that cities now have the authority for such regulation, but his bill would make the board mandatory and would provide guidelines for classifying movies. Board would be composed of nine members appointed by the city's governing body for two-year terms.

Teaching of Spanish —
Rep. Ralph Wayne of Plan-

view has introduced a bill requiring public schools to offer courses in Spanish to students in the second, third and fourth grades.

Wayne's bill, now in the House Education Committee, would require that within five years after passage of the bill, every elementary school in the state begin teaching Spanish to students in at least those three grades. It also provides that the State Board of Education furnish textbooks and recorded Spanish exercises to the school districts without cost to the students.

CUBS ENTERTAINED WITH WEINER ROAST

Den mothers and their families entertained the Cub Scouts of Den 11 Friday, Feb. 24, with a weiner roast at the river bridge north of here.

Den mothers are Mrs. James Brown and Mrs. Ester Hastings. Boys in the Den are David Moore, David Gibson, Shortie McIlwain, Ricky Bond, Danny Brown and Steve Hastings.

Mr. and Mrs. Juan Biera of Merkel are parents of a boy, Jose Anglen, born Mar. 7 at 12:30 a.m. He weighed 7 lbs.

Mr. and Mrs. Michael John Thomas of Stamford are parents of a girl, Michelle Gwen, born Mar. 7 at 10:46 a.m. She weighed 6 lbs. 10 oz.

NEW PARENTS

Mr. and Mrs. Sam Mack Hodges are parents of a daughter, Melissa Dianne, born Mar. 2 in Dallas. She weighed 6 lbs. 13 1/2 oz. Grandparents are Mr. and Mrs. Sam Hodges and Mr. and Mrs. LaFoy Patterson.

Mr. and Mrs. Art Carter visited last weekend in El Paso with her sister and family, Mr. and Mrs. Ed Airington, and a brother and family, Mr. and Mrs. Jim Carter. They went to Jaurez, Mexico, and returned home through Cloudercroft, N. Mex.

31 SE AVE. A SP 4-2361

You can cook a steak in a Gas Infra-Red broiler before the ice melts.

Put an ice cube on a steak and put the steak in a gas infra-red broiler. The steak will be done before the ice cube melts. That's because gas infra-red broiling is so fast...up to 30% faster than ordinary broiling! And it's smokeless, just like all

gas broiling. The flame inside eats up the smoke. And you broil with the broiler door closed with gas. Your kitchen stays cooler and cleaner. See the modern, automatic, economical gas ranges now on sale at gas appliance dealers and LONE STAR GAS.

PIPER PATT—

Junior Play Well Received; Track Team Takes Second Place

By TOMMY OLIVER
BETH CRAIG
HELEN MOORE

The Junior Play was a great success at both performances this past weekend. The auditorium resounded to the laughs of the junior high and elementary students at the matinee Thursday afternoon. It was really packed for the Friday night performance, and how the audience enjoyed it! The junior class would like to thank all those that attended and hope you will patronize our senior play next year.

sembles were: Saxophone Quartet — Reba Jackson, Vickie Newland, Joey Duncan and Terese Perrin; Trombone Trio — Randy Smith, Dennis Weaver, and Mike Young; Clarinet Quartet — Sharon Townley, Vickie Newland, Patty Cowan and Cindy Bryant; French Horn Quartet — Pat Perrin, Janet Carson, Rhea Vaughan and Mary Jenkins. Reba Jackson, Rhea Vaughan, Jan Young and C. A. Jenkins won first places on their solos.

Social Security Office Here Has Busy Year In 1966

Hamlin area residents filed more social security claims, asked more questions about their rights and responsibilities, and in general had more business in 1966 with the visiting representative from the Abilene social security office than ever before, according to figures compiled by district manager R. R. (Bob) Tuley, Jr.

The free interview space provided by The BCD is a service to Hamlin residents was often rather crowded as these actions were taken during the 21 visits to Hamlin in 1966:

- 106 retirement and survivor claims.
- 11 disability claims.
- 23 medicare enrollments on file.
- 442 inquiries.
- 6 medicare reimbursement claims.
- 80 continuing benefit eligibility actions.
- 186 other interviews, not included above.

Itemize All Medicare Doctor Bills Social Security Manager Warns

Doctor bills sent to the medicare carrier for repayment must be itemized and must be marked paid, reports R. R. Tuley, Jr., District Manager of the Social Security Administration in Abilene.

Blue Shield, the carrier which handles medicare doctor bills in this area, cannot make payment for bills that are not receipted or that show only "services rendered," he said. Sending an unitemized or unpaid bill to the medicare carrier causes delay while Blue Shield writes back for needed information.

Tuley explained that there

are two methods of payment under medicare doctor bill insurance. When the doctor agrees, the assignment method may be used. The doctor sends the request for payment form to the carrier and bills the beneficiary only for the part of the bill that medicare doesn't cover.

With the second method the same request for payment form is used, but the patient himself sends the claim to the carrier after paying the doctor's bill.

When the beneficiary is going to send the claim to the medicare carrier himself, he fills out the first part of

the request for payment form and then either has the doctor complete the second part of the form showing the services and the charges or encloses an itemized receipted bill.

"When a bill is enclosed," Tuley said, "it is very important that it show, not only the charges, but what specific services were given to the patient and on what date. The bill must also be marked paid."

Tuley emphasized that a beneficiary who sends in an itemized receipted bill should also be very careful to complete all blanks on the top

part of the request for payment form including the "description of illness." Here, he said, the beneficiary should simply put down why he went to the doctor or in his own words what was wrong with him.

"Because some beneficiaries seem to be confused or have questions about making a claim for payment of their doctor bill benefits," Tuley said, "we are inviting beneficiaries to come in and see us when they make their first claim. We will be happy to help them make sure that all of the necessary information has been included, and at the same time we can answer any questions they might have."

"If there are some beneficiaries who are unable to come to the Abilene office or to meet a representative

Motorists Reminded of Fast Approaching Inspection Date

The director of the Texas Department of Public Safety reminded motorists today that only six weeks remain before enforcement begins on the 1967 vehicle inspection stickers.

Col. Homer Garrison Jr.

of our office when he is in their vicinity, they may mail us their forms with their telephone number and we will contact them if additional information is needed," Tuley said.

Wayne Baker field representative, will be in Hamlin at the Board of City Development on Tuesday, March 14 and 28 at 10 a.m.

DPS Director, said that the law allows for no extension of the April 15 deadline and urged drivers to have their vehicles inspected before the last minute lines begin forming.

Garrison pointed out that some two and one-quarter million vehicles in Texas remain to be inspected in order to comply with state law. This amounts to approximately 14 vehicles per working day for each of the 5,500 official inspection stations.

Average Texas well yields 13.7 barrels per day.

WINNER FROM PIED PIPER FARMS — Donna Anna A2, shown by Pied Piper Farms of Hamlin, won the coveted championship award in Register of Merit Hereford female judging at the Houston Livestock Show. This senior yearling female, a consistent winner during the show season this year, was purchased by N. M. Mitchell and Son, Sanderson. In the picture, left to right, are:

Joe Lewis, Larned, Kansas, Judge of the show; N. M. Mitchell III, N. M. Mitchell Jr., Mrs. Mitchell, presenting the silver award is David H. Morris, Houston; presenting the ROM trophy is Albert Mitchell, Albert, N. Mex., a former president of the American Hereford Association; and at the halter is Doyle Ponder, manager of Pied Piper Farms. (Photo by American Hereford Assn.)

Six Flags Over Texas to Open 1967 Season Saturday, April 29

Six Flags Over Texas will begin its 1967 season on Saturday, April 29.

The announcement came Angus G. Wynne, Jr., President of Great Southwest Corporation, owner-operator of the famed 115-acre, historical-theme entertainment park located midway between Dallas and Fort Worth.

During the Spring, Six Flags Over Texas will be open on Fridays from 5:00 p. m. to 11 p. m. and on Saturdays and Sundays from 10

a. m. to 10 p. m. Starting May 26 and continuing through Labor Day, the Park will be open seven days a week from 10 a. m. to 10 p. m. Following Labor Day and until the season closes October 29, Six Flags will operate on Saturdays and Sundays only from 10 a. m. to 8 p. m.

The Run-A-Way Mine Train ride, key project in the \$1,000,000 expansion of the Boom Town Section of the Park which was begun last season, has been completed

over the winter months. The ride, one of the most exciting ever developed, was introduced to visitors on a limited basis near the end of last season, while work continued on the project.

An attendance milestone will also be reached during the forthcoming season, as Six Flags anticipates welcoming its ten-millionth visitor sometime during the month of August. The Park, which opened in 1961, has already counted over 8.5 million visitors.

The value of Texas crude oil natural gas and gas liquids in 1965 was \$4.2 billion.

Boat Owners Warned Wardens To Enforce Ventilation Rules

AUSTIN — Time will be up within three months for pleasure boat operators given an extra year's time to adjust potentially hazardous ventilation systems in conformity with Coast Guard requirements, according to the Texas Parks and Wildlife Department.

This was one of the accommodations allowed aquatic enthusiasts in 1966 when joint Federal and state safety regulations became effective. For example, Texas game wardens stood instructed until late summer not to cite boating buffs for routine infractions.

Literature and friendly counsel were issued at first as a means of courting co-operation on the waterways.

Now, the Coast Guard cautions that further liberation of the boat ventilation rule beyond June 1 would not be advisable.

This regulation, according to the Texas Parks and Wildlife Department, applies only to persons with inboard boats or inboard-outboard craft and outboards with closed fuel tank compartments.

A Department spokesman said the minimum natural ventilation is required by the Coast Guard for closed engine and fuel tank compartments as a means of avoiding possible explosive conditions. Coast Guard regulations, strictly enforced by Texas Game Wardens, specifically call for at least one inlet duct fitted with cowl or equivalent, and at least one outlet or exhaust duct fitted with cowl or equivalent.

Ducts must extend from the open atmosphere to a point at least midway to the bilge for the intake air duct

Texas oil men drilled 12,741 wells in 1965, or 30.8 % of U. S. Drilling.

and to the lower portion for the exhaust.

Current industry standards will satisfy the requirements and are recommended.

Pleasure boating operators in doubt about the requirements effective June 1 are invited to contact their local game warden or the nearest Department office.

Agent Warns of Vitamin A Deficiency During Dry Weather

With this year's drought stricken pastures, cattlemen may begin noticing signs of vitamin A deficiency in their herds, says County agent, Kirby Clayton.

Vitamin A deficiency in the early stages is characterized by night blindness. In later stages, cattle become less alert and lose their appetites. Watery eyes, swelling at the joints, rapid breathing and staggering are some more symptoms.

Many cattlemen have bulls with their herds now and are breeding for next year's calf crop. Vitamin A deficiency can seriously affect reproductive performance of cattle, according to some research reports.

In a Texas A & M University test, 35 bred yearling heifers were injected with vitamin A. Thirty-five bred heifers were given no supplemental vitamin A.

From the 35 heifers injected with vitamin A, only one calf was lost at calving time and 28 cattle needed help calving.

In the group which got no supplemental vitamin A, seven calves died at calving. Two of the heifers also died at calving time and 28 heifers needed help calving.

This test seems to indicate vitamin A does play an important part in calving, al-

Old Glory News...

By JUDY WHITE

Larry Flow was named to the District 12-B All-District Basketball team last week and Joe Mack Boles was named to the second team. Flow was also named as the player from this district to participate in the Class B all-star game to be held in conjunction with the coaching clinic this summer.

Several from Old Glory attended the State Basketball meet at Austin last weekend. Among this group were coaches Tom Pritchard and Jerry Johnston, accompanied by Tommy Pritchard. Also Jack Jones, Kenneth Jones, C. T. Pierce and George Rhoads.

It has been announced that Old Glory School will be dismissed Friday, Mar. 10, so that the faculty may attend the District VII Teachers meeting in Wichita Falls, Variety Club.

The Old Glory Variety Club met in the home of Mrs.

Katie Gerloff on Tuesday of last week. Eight members were present. They quilled a quilt.

Mrs. Beno Hertenberger will host the next meeting on Tuesday, Mar. 14.

Mrs. Bob Coats and little daughter, Debra, of Colorado Springs, Colo., are here this week visiting in the home of her parents, Mr. and Mrs. Cliff Gholson.

James South who is with the U. S. Air Force visited here with his father, J. L. South, one day last week.

Mrs. Bernice White and Judy were in Abilene on Friday of last week. Judy spent Friday night in Abilene with June Askins. June returned to Old Glory to spend Saturday night with Judy. They were dinner guests in the H. L. Boles home on Sunday along with Cindy Pittcock of Rule.

Guy Callicotte of Monahans spent the weekend here visiting his grandparents, Mr. and Mrs. Delos Callicotte and Mr. and Mrs. Charlie Letz.

Mr. and Mrs. Garrett Spitzer and Weldon were in Hempstead last weekend where they visited in the home of Mrs. Spitzer's sister, Mr. and Mrs. J. G. Pope. Her mother, Mrs. W. G. Winkie, who had spent several months this winter with the Papes, returned home with them.

Mr. and Mrs. J. C. King of San Angelo were here last Sunday visiting in the home of her sister and her husband, Mr. and Mrs. Lynn Flowers.

Mr. and Mrs. James Martin visited in Mineral Wells with her parents last weekend.

Mr. and Mrs. Bill Tipton were in Denton last week to be with their daughter, Mrs. Pat Simpson, who is ill. Their grandson, Mark, had been here visiting with them.

Loy Hahn was a patient in the Stonewall County Hospital last week.

Mr. and Mrs. Beno Hertenberger are in Fort Worth this week visiting in the home of their daughter, Mr. and Jack Summers and boys.

Mrs. C. T. Pierce and daughters, Debbie and Denise, spent Friday night in Abilene visiting in the home of another daughter, Mr. and Mrs. Thomas Letz and Bryan. Mrs. Letz and Mrs. Jimmy True brought her home on Saturday.

Sylvester News...

By MRS. R. M. BABE

It is Monday morning and I am sitting here writing this and the water is running out of the house from the melting snow we had last night. It was not nearly enough but every bit helps, we can use a lot more moisture, just any kind. Doesn't look like we will get any more soon as the sun is out and the clouds are nearly gone.

The Buford Brown family and the Ned Herron family drove to Roscoe one night last week to watch the Trent Girls basketball game. Dana Thompson, one of our girls, plays on the team. Yes, they won.

Mrs. Lee Sanders, Clayton Harris, both spent several days last week in Hamlin Hospital.

Mr. Eugene Kiser is still very ill in Hamlin Hospital at this time, his daughter, Rachel Cerna of Indiana, is here with him. Also over the weekend, his grandson, Jerry and his wife drove up from Houston to visit with him and Jerry's parents, the Roy Kisers. Others in the Roy Kiser home over the weekend were Mr. and Mrs. Joe Spikes and the Darwin Maberrys of Abilene.

Mrs. J. J. Nicklas is in Wilkerson Clinic in Roby. She has been quite ill with double pneumonia but is feeling much better.

Grace Brewer had a talking good time last week when she drove over to Abilene to attend to business and visit with friends.

Martha Hood reports her mother, that lives in Michigan, is doing much better and has been able to go home after spending eight weeks in the hospital with a bleeding ulcer.

The Max Deel family of Levelland spent Friday night and Saturday with the W. B. Browns.

Mrs. W. B. Brown and I drove to Abilene on Saturday night and attended the Postal Meeting at Wyatt's. We enjoyed the meeting and learned several things.

Visiting in the Woodrow Lawlis home and attending Church Sunday were Mr. and Mrs. Mike Dobbs and son of Big Spring.

My husband and I drove to Trent and visited with Mrs. R. A. Boyd the other

afternoon, she is doing well for an 86 year old youngster, then on to Merkel and stopped in to see aunt Maude Byram and Lawrence. Lawrence was to enter an Abilene Hospital Tuesday for eye surgery. We also saw aunt Mary Jones. She is looking real good and seems to feel good. We drove on to Hendrick Hospital and visited with Don (Joe Boy) Kelly. He is very much improved and hopes to be able to come home soon. Also visiting with him was his sister, Mrs. Wesley Maberry and family from Dallas.

Mr. and Mrs. Thurman Douglas have moved from Roby to their new home east of town. We are glad to have them back home. Also moving back home are the Truman Maudlin family, they are living where A. J. Ford lived. They had also been living in Roby.

Mr. and Mrs. Jesse Hagins of Hamlin visited with us on Sunday afternoon.

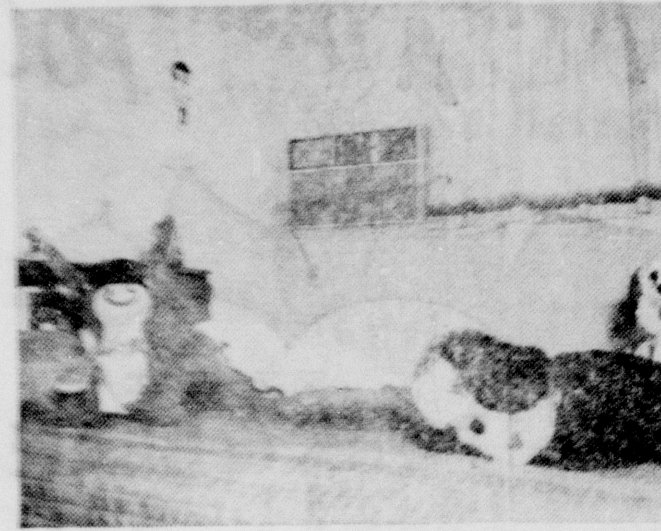

Isn't it just wonderful to see that Fairview News back in print and to know that the one that writes it is able to do?

Mr. and Mrs. Gus Kiser of Comanche visited with his brother, Eugene, one day last week in Hamlin Hospital.

STAMFORD - HAMLIN

AT GOVERNOR'S CONFERENCE — Representatives of Chisholm Trail Council, Boy Scouts of America, who attended the Report to the Governor meeting held in Austin, were Alvin Bedford of Abilene, Larry Bahlman of Winters,

Mike Murphree of Hamlin, Jimmy Vaughn of Winters, Bennie L. Young, Scout executive of Abilene, W. W. Pyatt Jr. of Sweetwater, shown with Gov. John Connally.

Fairview News...

By MRS. ELMER JOINER

Picked up a few bits of news this week, guess I was so happy to see folks again, and was so busy talking that I would forget to ask about any news. Am still excited over being home and had so much company that if I should try to begin naming them it would fill my whole column. Has been so wonderful to see each of you and am still receiving sweet cards and letters. As I said last week I feel like a millionaire knowing I have so many dear friends.

As for my own condition, have gained quite a bit the past week but it is so slow, gets discouraging some days but you can't recover in a week from two serious operations just one week apart. I will start getting strong some of these days and all of this nightmare I have been through will be behind me.

Haven't had a chance to see

where the church was moved from yet, they say it is very lonesome looking but but we are all so thankful that our Latin American friends are enjoying having the house to worship in.

Some of the men who loved our church were talking one day in a cafe over coffee and decided to see about starting a fund to put a marker, on the roadside on county property, stating that this was the site of the Fairview Church, and after information. Telling of their plan everyone was very enthusiastic about the idea, since the next generation upon hearing Fairview spoken of would know where it stood. Then this church has had such a deep influence on several generations it is but fitting for it to have such a memorial. If you haven't heard of this before and would like to have part in it send a little donation to

Johnie Agnew, 32 NW Ave. A, Hamlin. The size of the marker will be determined by what is received. They don't want an elaborate one, but work like that comes high and all help will be appreciated.

Visitors in the Henry home last weekend were their son, Mr. and Mrs. W. C. Henry and Jo of Elgin. They were joined by their daughter, Mr. and Mrs. Mack Sansing and two little girls of Higgins.

Mrs. Henry's brother-in-law, Mr. Obie Wright, of the Rotan area, was in Hendrick Hospital last week recovering from surgery.

Mr. and Mrs. Raymond Scrifres are the happy parents of a brand new adopted baby boy. Did not learn any details, such as name, etc. They have a little daughter four years old, so this makes them a lovely little family. Congratulations!

Mr. and Mrs. Lee Allen Ash of Lubbock are also brand new parents of an adopted baby girl, Lee Allison, born Feb. 19. Weighing 8 lbs. and 5 oz. and having come to live with them Feb. 25. Mrs. Ash is the former Lee Ann Ray, daughter of the R. E. (Hap) Rays of Anson.

Mr. and Mrs. Winson Gary went two weeks ago to Houston to visit Mr. and Mrs. Doyal Bills and the two little granddaughters. It seems grandpa and grandma were upset over the girls crying to come home with them. That is just typical of grandchildren.

W. J. Kemp, Hamlin, recently purchased an Aberdeen-Angus bull from James Harvey of Roby.

Wellhead value of Texas gas in 1965 was \$850 million; average price, 12.5 cents per 1,000 cubic feet.

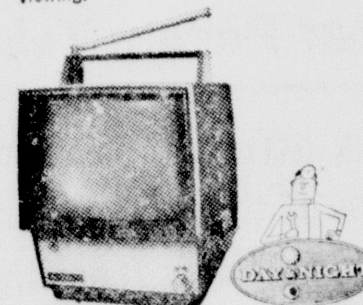

Off-season offer from

FLIGHT... of Faith

The faith of a boy that a slender string shall hold high his kite — that when he extends a little more string his kite will go a little higher — shows that this flight is a flight of faith.

As the boy has faith in the string so must we have faith in our Lord, and the more faith we extend, the higher and more abundant our lives will be. It is written in Romans 1:17, "The just shall live by faith." Attend Church this Sunday and receive inspiration from those who share your faith, that you may, as the Apostle Paul said, "be comforted together by the mutual faith of you both."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
